

Dear SMS Friends,

Stratton Mountain School is very dear to my heart for many reasons so naturally, I was happy to accept the position of President of the Parents' Association this past year. Not only has our son, Michael, made lifelong friends, but I have too.

I was overwhelmed with the support that I received taking on this endeavor. We have built a very inclusive community starting with our parent coffee socials. I sincerely thank Ann Marie Forehand for all of her invaluable assistance with these events. It was wonderful to see our parents from different disciplines socializing and seeing our veteran parents supporting our newer families. I do hope you make it a point to attend these very fun mornings next year. Please volunteer your time, energy and expertise to the many events held at SMS.

I have tremendous faith in our new Parents' Association Board that they will continue to grow and provide enrichment to our community as well as support student activities and fundraising efforts.

It was a true pleasure being an integral part of this amazing school.

With heartfelt gratitude,
