Take full advantage of your roof space. Designed to enhance the versatility and convenience of your Lexus, these lightweight yet high-strength aluminum cross bars feature a high-gloss black finish with silver-finish end supports to complement the body's styling. The cross bars are easily adjustable when cargo-carrying needs change. The cross bars are both corrosion- and fade-resistant and load-rated for carrying a load up to 154 pounds (70 kg) when evenly distributed across both bars.
