

Dear Parent,

For the past couple of years, your local photographer at Estudio La Storia has been given the opportunity to photograph this special occasion in your child's life. Many parents come to the studio before the actual day in order to preserve this important sacrament, however, it's not always possible for everyone. Since then, we have been taking appointments on site to make it easier for families.

Sessions will take place in the church basement before the ceremony on Saturday, April 28th in 10 minute increments from 8:30am - 10:30am. During your prepaid time slot, your child will be able to have their own photo session with immediate family and/or sponsors.

The cost for this is \$100.00. It will include your favorite image printed as an 11x14, and will include a printable disc with those formal images as well as those captured during the ceremony itself. You will be able to choose your printed 11x14 a few days after the event on our website (instructions for all of this will be given at the session). Below are a few images from previous years.

We will begin taking appointments beginning today via this link:
