

TechKnowKids

TechKnowKids Presents...

Fun with STEM!

(Science, Technology, Engineering, Math)

Children will engage in fun, hands-on investigations that involve brainstorming, problem solving, and building!

Students will code with Dash, complete science investigations, and complete engineering challenges!

Grades 1-2-Tuesdays-February 20-March 20***\$50

Grades 3,4,5-Thursdays-February 22-March 22***\$50
