

Welcome back to school, parents!

This year, our school will continue participating in the Box Tops for Education™ program. Clipping Box Tops is an easy way for you to help our school buy what it needs. Box Tops are each worth 10¢ and they quickly add up to real cash for our school.

To help our school, just look for pink Box Tops on products, clip them, and send them into school. We have collection bins for each classroom and in the office. Box Tops are submitted twice during the school year, but they can be turned in all year. We will send out reminders when Box Tops deadlines are approaching.

I hope you're excited for everything we can do this year with Box Tops! For more information on the Box Tops for Education program, including a list of participating products and our school's progress, visit
<http://www.BTFe.com>.

Thanks for your help!
