SHOPPING & FOOD

Three days of vendors pack the streets with excited shoppers ready to pick up some local artisan goods. Multiple restaurants in the Junction bring their delicious menus out on the street. Festive cafes all along California Ave compliment the traditional fair food.

FAMILY FUN

Summer Fest is a time for families too. The fun starts the Thursday before the 3 day festival giving families even more time to experience the event. During Summer Fest the kids can choose everything from face painting, to riding some exciting amusement park rides.
