As a golfer and/or sponsor, participation in the Home Builders Association of the Fox Cities (HBAFC) golf outing allows HBAFC—through its Community Foundation for the Fox Valley Region Donor-advised Fund—to provide grants to local housing-related charities, scholarships to students enrolled in post-secondary education in the building trades and funding to workforce development programs.

In 2016, nearly \$28,000 was donated to Greater Fox Cities Area Habitat for Humanity for the Home Builders Blitz project, and nearly \$10,000 was raised for charity and scholarships.

In 2015, \$7,500 in charitable grants/sponsorships was awarded to Harbor House, Greater Fox Cities Area Habitat for Humanity, Homeless Connections and ReBuilding Together Fox Valley.

In 2014, \$7,000 in charitable grants was awarded to Harbor House, Greater Fox Cities Habitat for Humanity and ReBuilding Together Fox Valley. And, more than \$6,000 was given to students via scholarships.

### New: HBAFC Workforce Development Program

The construction industry is in desperate need of skilled laborers/employees and one of HBA Fox Cities top priorities is to find, educate and match potential employees with our members. We are in the process of working with area schools, businesses, non-profit organizations and members to create a Workforce Development Program, which will be introduced in the coming months.
