Why? 3 Great Reasons: Jenny, Ben & Fr. Jens

Jenny Noyes: "The Everyday Missionary"

EXPLORE! Next Steps will inspire you and equip you! Living a missional life is challenging, exciting, meaningful and sometimes mind-blowing! Living in missional community as the Body of Christ is priceless! We can do "even greater works" (John 14:12) because Jesus is in us by his empowering Holy Spirit. **Come and explore** what "Next Steps" God has for you!

Ben Williams: "The Discipling Leader"

LEARN! There is absolutely nothing better than seeing someone give their life to Jesus Christ, and this is done not through the perfect program, but through consistent prayer and intentional conversations. **Come to learn** about the different stages all people go through as they move closer to Christ, and then pray for your family and friends to receive the life-giving, all-encompassing, saving love of Christ.

Fr. Jens Notstad: "The Missional Leader"

HEAR! "Where do I even begin when it comes to talking about Jesus?" Start with what you're doing! Maybe it's work, a hobby, or spending time in your neighborhood. What do you like to do? Do it; and invite those who don't know Christ with you. Whether you're new to the church, new to mission, or have been sharing the Gospel for decades, **come hear** about the very basics of living a missional life, praying for our friends outside the Church, and being diligent in this joyful endeavor.
