## RESIDENT/SPECTATOR INFO.

Please note that the marathon operates as an out-and-back course so streets will be re-opened for traffic as the last athletes pass an area. These are approximate times of street re-openings. Police officers will be at every major intersection to allow cars to cross the marathon course once there is a break in the race.

Please allow extra time for travel because of the street closures and traffic delays. The marathon course has a ‘rolling’ re-opening. The Long Beach Police will re-open streets as the event goes on and athletes have moved past a certain area.

**FREE PARKING FOR BELMONT SHORE RESIDENTS**  
 Spaces available in the beach parking lots along Ocean Blvd. Enter the lots near the Belmont Pool off Granada Ave and park for free Saturday night through Sunday. Residents can exit the lots on Sunday at GRANADA AVE ONLY and be escorted across the course by police.
