

Worship Team Meeting Minutes April 19, 2016

In attendance: Patty and Bill Ferguson, Malia Hampson, Jen Hoerber, Laura Wall.

Agenda Items:

- 9:00 service time change
- Piano in Friendship Hall
- Set up and tear-down of 1st and 2nd service
- Mini-mission trip Service Time
- Web site for Worship

9:00 Service Time

Concern: Changing to 9:00 from 8:50 would impinge upon tightly scheduled Children's programming.

All present agreed it is probably a good idea to change to the 9:00 time. It feels cleaner, and right now the 8:50 service time is a relic from Nathan and makes the service start time feel mushy.

However, getting 2 songs, announcements, and Children's Time all completed before **9:15** – when Kid's Club starts – is going to be tight. Immediately following Kid's Club is Children's Choir practice at 9:45, so there is a ripple effect if one item runs late. The committee felt it would be best to keep the current schedule in place until summer, also because the new schedule for children's activities has only just been put into place.

Proposed: Keep current schedule in place until summer, then roll out the 9:00 start time over summer when there are no Children's activities, to give time to practice and see how we can make it work.

Everyone present approved.

Piano in Friendship Hall

Concern: In its current position it is a safety hazard as it is not stable and liable to tip over.

Proposed:

1. Purchase of a piano dolly to stabilize it, and
2. Move it downstairs to Smith Hall so the Children's choir can have it there for practice.

Action Item: Jen to contact Robbin Price and Allen to discuss; and speak with Brad about funding the dolly.

Set up and tear-down of 1st and 2nd service

Concern: Currently Patty and other 1st service folks are doing most of the set-up for 2nd service after they have completed their own tear-down from 1st service.

Proposed: More 2nd service folks are needed to move the choir chairs down, move the pulpit into place, take down communion rails as needed and so forth.

Action Item: Laura to initiate conversation with Allen and Brad regarding getting some assistance for 2nd service set-up.

Mini-mission Trip Service

Concern: Mini-mission trip is set for Memorial Day week-end. So many folks will be gone that it seems like a stretch to hold two services.

Proposed: Just hold one 10:00 service. (We have done this in the past.)

Action Item: Laura to bring this to staff meeting.

Worship Representation on the new Web Site:

Action Item: Worship Team folks to spend some time reviewing the current content, regroup to discuss, and then work with tech team to make any recommended updates.

Meeting adjourned.
