2018 OTR CONFERENCE Leisure Programs

THURSDAY, FEBRUARY 22, 2018

St. Augustine Historical Tour

\$100 per person; 11:30 a.m. – 5:00 p.m. (Box Lunch Included)

Get ready for a fun and exciting afternoon in St. Augustine, the oldest city in America.

Your tour of the city will include such sites as the Mission of Nombre de Dios, birthplace of Christianity on this continent. When you arrive at the Castillo de San Marcos, you will be invited to step off for a few moments to walk around this fort which is the oldest of our national monuments. Next, your group will see the heart of the city with its magnificent Spanish Renaissance architecture. In the late 19th century when oil baron Henry Morrison Flagler was past the mortality age of the day, he left Standard Oil in the hands of John D. Rockefeller and headed to Florida. Flagler spared no expense as he turned the little town of St. Augustine into a destination for the rich. Flagler developed land and built railroads in Florida, establishing agriculture and tourism as the state's leading industries. After hearing his complete life story, you can pay your respects to Mr. Flagler when you visit his mausoleum behind the college named for him.

Now that you know the more than 400 years of history in the area, let's celebrate with shopping! St. George Street, a shopping "mecca" well-known as a pedestrian walking street with over 240 gift shops, ice cream parlors, and restaurants, is just four short blocks long. Choose to get something to eat, shop, or just relax until it's time to board the coach once more for your return trip.

Golf Tournament & Happy Hour – The Players Stadium Course

\$255 per person (Inclusive of Fore Caddy Fees), Club Rental \$75; 12:00 p.m. – 6:00 p.m.

THE PLAYERS Stadium Course, beautiful, challenging, and immaculately manicured. A perfectly balanced game experiences like no other.

Named one of the Top 50 Golf Courses in the World by *GOLF Magazine*, THE PLAYERS Stadium Course is revered as the home of one of professional golf's most prestigious competitions—THE PLAYERS Championship. Opened in 1980, the course was built to challenge the pros like no other golf course had done before, and become the first true "Stadium Course" to provide an unprecedented experience for spectators. With its contoured fairways and confounding angles, Pete Dye's masterpiece left players wide-eyed with wonder...and over 30 years later, it still does.

Face the same challenges that have tested the skill and resolve of the game's greatest players—including the formidable par-3 17th "Island Green"—one of the world's most photographed holes, and arguably the signature hole for the entire sport of golf.

Happy Hour immediately following tournament.
