

Miss Jewell

Miss Jewell is our lead Early smARTs teacher. She started with our studio in the spring of 2017 and has been an excellent addition to our growing team! Her dad was in the military, so she considers herself an army brat, having lived in multiple places - she was born & raised in Kansas, and ended up in Burton, Ohio in 2016. She loves God, as well as spending time with her son, Jackson and her studio family :)

Favorites : color purple, her son, Jackson, and Mexican food
