

Miss Katie

Katie O'Neill joined the crew the fall of 2017 as our accountant/bookkeeper and is excited to be part of the team. Katie graduated from Berkshire High School, and then earned her Bachelor's Degree in Accounting from Mount Union. After working nearly 10 years in the Cleveland area, she decided to spend more time in her home town! She loves Burton and enjoys being part of the community.

Katie currently resides in Burton with her husband, Ian, daughter, Jami and their dog, Huckleberry.

Favorites: coffee, chocolate, being a Mom, the color green and being outdoors.
