

Miss Cailyn

Cailyn Klarich is currently one of our afternoon teachers, and previously was our Early smARTs preschool teacher. She also happens to be Miss Car's daughter, and basically grew up in this studio!

She is a 2012 graduate of Chagrin Falls High School, and in the spring of 2016 completed her CDA training. After watching some of the county's intervention specialist interact with some of our students, she decided to pursue her degree in speech-language pathology & audiology, and is currently enrolled at Cleveland State University to accomplish that goal. She is scheduled to graduate in May 2018 with her Bachelor's degree in Health Science, with a concentration on speech & hearing science.

She grew up with a passion for gymnastics and competed from the ages of 3-20 years old. She is currently a USAG safety certified gymnastics coach, and enjoys putting her talent to use here at the studio, working with the school-agers on their gymnastics skills.
