

Miss Jamie

Jamie Igoe came to us in April 2018 as one of our afternoon preschool teachers. She grew up in Burton and is a graduate of Berkshire High School, where she used to be a cheerleader. She has her BS in Psychology, and has worked in the mental health field for 5 years.

She used to work with Miss Car at Chery's Gymnastics, where she coached preschool tumble/cheer and competitive cheer for 10 years.

Jamie has a passion for working with children - she enjoys watching them growing and seeing the pride they build with their achievements, both big & small.

Her most important job is mom to her 3 children - Brayden, Airiana & Antonio. They all live in Burton with their German Shepards. They all have a love for animals and in her spare time, Jamie enjoys training their dogs.
