

Mr. Harry

Harry Wilson joined our staff in the fall of 2016 and is a great addition to our afternoon roster. He is a graduate of Cardinal High School, where he played soccer, ran track & field, and was also their mascot! He is currently a student at Kent State University's Geauga campus with the intent to earn his degree in middle childhood education.

He also is a soccer coach, and has been coaching ages 5-13 for the last couple of years.
