

# Tzedakah in Bloom

Decorate the bima with lasting beauty that is also a mitzvah! We are pleased to present **Tzedakah in Bloom**, an opportunity to rent a set of decorative food baskets for your simcha. With your donation of \$136, Congregation Ner Tamid will contribute \$118 to **Harbor Interfaith Services** in honor of the Bar or Bat Mitzvah. The remaining \$18 will help cover administrative costs.

The mission of **Harbor Interfaith Services** empowers the homeless and working poor by providing critical support services including shelter, food, and occupational training. To learn more about Harbor Interfaith and its mission, visit [www.harborinterfaith.org](http://www.harborinterfaith.org).

All contributions to **Tzedakah in Bloom** will be acknowledged on your Shabbat.
