

# *Echo in the Slopes*

May 6-7, 2017  
Boyne Mountain

## **CME Accreditation and Credit Designation**

### **Beaumont**

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of William Beaumont Hospital and Michigan Society of Echocardiography. William Beaumont Hospital is accredited by the ACCME to provide continuing medical education for physicians.

William Beaumont Hospital designates this live activity for a maximum of 9.25 *AMA PRA Category 1 Credits*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

(Saturday morning= 4 credits; Jeopardy=2 credits; Sunday morning=3.25)

**Contact for CME questions:** CME@beaumont.org

### **Purpose**

This activity is designed to examine the latest evidence based guidelines, techniques and technologies to enhance learner competence through the discovery of new strategies and to develop clinical skills that improve patient outcomes.

### **Objectives**

1. Recognize the emerging and established role of echocardiography in the assessment of valvular heart disease.
2. Describe contemporary echocardiographic techniques for the evaluation of right ventricular size and systolic function.
3. Describe the spectrum of obstructive adult congenital heart diseases and detail the diagnostic echocardiographic approach for the identification of these lesions.
4. Describe novel ways of incorporating digital technology for quality assurance and quality improvement in echocardiography laboratories.
5. Recognize the critical periprocedural role of echocardiography in patients undergoing structural intervention.

### **Target Audience**

Cardiologists  
Fellows-in-training  
Sonographers

## **Planners**

### **Course Director**

**Luis Afonso, MD, FACC** *Detroit Medical Center, Harper Hospital*

### **Committee**

**Patricia Bailey, RDCS, FASE** *Beaumont-Royal Oak*

**Renee Bess, BS, RDCS, RVT, CCRP** *St. John Hospital*

**David Forst, MD, FACC, FASE, FSCCT** *Beaumont-Royal Oak*

**Andrew Hauser, MD, FACC, FASE** *Beaumont-Royal Oak*

**Kathleen Micicche, RDCS, CCT, FASE** *Henry Ford Hospital*

**Felix Rogers, DO, FACC, FASE** *Henry Ford Wyandotte*

**Kristen Ternes, RDCS** *Detroit Medical Center, Harper Hospital*
