

# House of Worship Active Shooter Program

ALICE Training Institute has custom tailored a House of Worship Active Shooter Training Program to:

- **Maximize Survivability** of congregants, staff, volunteers and leadership.
- **Provide Quality Documentation** of completed training and preparation.
- **Reduce Liability** by implementing consistent training aligned with state and federal standards.

## How to Bring ALICE Training to your House of Worship and Community

### **Step 1 – Leadership Team purchases ALICE’s e-Learning Active Shooter Training**

- The ALICE e-Learning course is a 45-minute web-based training course that educates your team on the ALICE response options. Each person who completes the e-Learning course becomes an ALICE Certified Citizen.
- Purchase ALICE’s e-Learning course for your Leadership Team so they can become ALICE Certified Citizens, which is a pre-requisite to instructor led training to be conducted by your in-house ALICE Certified Instructors.
- ALICE e-Learning Licensing options (**75% discount**):
  - \$100/year for up to 10 Leaders
  - \$400/year for up to 50 Leaders
  - \$600/year for up to 100 Leaders

### **Step 2 – Congregants & Families become ALICE Certified Citizens**

- Your congregants/families will receive **60% discounts** when they purchase their own ALICE e-Learning license.
- Licensing offered at \$9.49/family/year.
- ALICE will provide a unique discount code to be shared with your congregants.

### **Step 3 - Practice ALICE Response Options Onsite through Drills/Scenarios Led by an ALICE Certified Instructor**

- Send one or more of your staff/members to become an ALICE Certified Instructor through a 2-Day Instructor Certification Classes held around the country each month. See our training calendar. *(If no classes are being offered nearby, ask about qualifications to host a class at your location)*
- In addition to conducting drills/scenarios, your ALICE Certified Instructors will be equipped to create custom emergency operation plans relating to active shooter response options.

### **ALICE Organizational Certification**

- Upon completion of Steps 1-3, your House of Worship will have achieved the highest level of ALICE Certification and become an ALICE Certified Organization.

ALICE Training Institute will then provide you with the following additional resources:

- House of Worship Detailed Active Shooter Implementation Plans
- House of Worship Emergency Operation Plans
- Scenario Drilling Guides and Table Top / Critical Thinking Exercises
