

JOIN THE Journey

As you know, we provide students with the opportunity to become Christ-like servant leaders who make a difference in the local Cowlitz County community and the world around them.

The value of a Catholic education cannot be over-estimated. The United States Catholic Conference has long recognized that Catholic Schools, like St. Rose, directly impact the future lives of their students. Graduates are more closely bonded to the Church. They have a greater awareness of the responsibility for moral decisionmaking. They support their Churches with gifts of their time, talent and treasure.

Join us to raise \$40,000 and share our vision of inclusion to provide Catholic education to every family and child in our community whom seeks this beautiful experience of faith in education.

Thank you so much for your support!
