Coaching Descriptions- HHCC will continue to host group coaching sessions for administrators. This year's initial session is to review the ongoing changes at EEC and to QRIS and Professional Development so that you can be prepared and plan your next steps. This meeting will also begin to look at the responsibilities and the challenges directors face and how they impact your program and to determine the topics for the year. At your request, our agenda will also include time for you to share your concerns with other directors and ask for their input.

QRIS Connection: Goal is to improve leadership skills as well as program quality and understanding of QRIS .

TO RSVP:

Please contact Carol Godfrey at cgodfrey@hhcc.org to reserve your space. Be sure to include your Professional Qualifications (PQ) Registry number, your EEC Program ID number and a daytime phone number.
