Darlene Neilsen

I am seeking your support in being selected as State Secretary of the California Council for Adult Education. Serving in this position is one way I can continue to show my appreciation for all that CCAE does for teachers and employees within adult education. My qualifications for State Secretary include serving as CCAE South Chapter and LA Metropolitan Section Secretary. Another adult organization in which I served as secretary was the Angeleno Chapter of CAROCP. I have also been the note taker/transcriber at various LARAEC meetings which keeps me informed on local consortia issues and activities.

Since joining CCAE in 1999, I have been active serving in all LAM Board positions; as CCAE State Awards Chair; and LAM Member at Large. My attendance at CCAE State Board meetings since 2007 has kept me up to date with legislative policies and topics concerning adult education.

Thank you for your consideration.

Vladimir Tigno

I would like to submit my interest in serving as the 2017-19 CCAE State Board Secretary. I have served CCAE in different positions and capacities from LA Metro Section Treasurer, President-Elect, President and Past-President as well as State Conference Co-Chair in 2015. My interest in serving as the Board Secretary is rooted in my development as an educational leader and my commitment to promote adult education which has all been due to my participation in legislative days, State and section conference attendance and participation in State Board meetings. I have experienced firsthand the camaraderie and collaboration of adult education leaders throughout our state and I want to contribute and volunteer my time to further the actions and build on the results that CCAE has accomplished to sustain adult education in California.
