### Terms and common delays to quick turnaround times

You must provide all colors at the time of the order. Down payment is required at the time of the order. Artwork must be production ready. Working days DO NOT start until AFTER customer approval is received. 3-5 working days for delivery/shipping.

*Keep in mind that large projects require longer turnaround time.*

### Guaranteed Delivery Dates

We have our own delivery trucks which means no freight companies to deal with, which means we can give you a guaranteed delivery date at your request. We now shrink wrap every sign to help guard against inclement weather, dirt, wind and road grime. We will do everything to insure your sign gets to you on time and in good condition.

The point is; it never hurts to ask if we can meet a tight production timeline or a guaranteed delivery date. Just give a call and tell us your needs!
