SENIOR PORTRAIT PHOTOGRAPHER

Academy of Our Lady of Peace Senior Portraits

Hello Class of 2019!

It is my honor to be creating your Senior Portraits this summer!

- Schedule your appointment: <https://www.schedulicity.com/scheduling/RSPY69> on [Schedulicity.com](https://www.schedulicity.com) and choose your 15-minute time slot.
- I will be taking your yearbook photo & candids that you may use for announcements if you choose.
- Photo dates:
 - June 11 - 15, 10:00am – 2:00pm
 - July 5 - 6, 10:00am – 2:00pm
 - July 9 - 13, 10:00am – 2:00pm
- IF you need to cancel an appointment, please give me a 2-day notice if possible so that someone else may take your spot.
- Sitting fee: \$40 (cash or check), **payable to Robyn Scherer**, is due at the time of your sitting. The sitting fee is for your yearbook photo and for the preparation of your gallery. **No images are included in the fee.**
- **Please note that once you choose your yearbook pose, I will hand edit that pose and send it over to the yearbook for your convenience.
- Proofs will be sent to you in about 2-3 weeks after your shoot in an online gallery. **You will receive an email with instructions and the link to your gallery.**
- Dresses: should be modest, not too low cut, not too short (please use the fingertip rule), not too tight, no strapless or spaghetti straps. Please note: **Appropriate dress and pose is subject to administrative review. If either are deemed inappropriate according to OLP guidelines, a retake will be scheduled and you will be responsible for an additional sitting fee per OLP.**

Helpful tips BEFORE your sitting:

- **No self-tanners** – you will appear orange in the photos, and most of the time it's splotchy. Your beautiful, natural skin tone will look best.
- **Please have clean nails on both hands and feet.** Mani's and Pedi's are not a necessity but clean, trimmed nails are. Both hands and feet will be seen in the photos.
- Get a good night's rest the night before.
- Drink plenty of water 3 days leading up to your photos as this will help your skin look it's best.
- Please avoid sunburns right before your shoot.
- If you're having a facial or having your brows shaped, please do so at least a week BEFORE your photo day. This allows time for any blemishes to disappear.
- Please bring your own hairbrush and touch-up makeup.

NOTE TO PARENTS:
SENIOR DEDICATION PAGE

Senior Dedication Pages are an option given to
Parents to honor their daughters.

The pages are usually due around mid-October.

Please think about this when you are looking through your gallery.

You may want to choose a photo from your
daughter's gallery for your page.

The Yearbook Dept. will send out a reminder
for the page in September.
