

Tracks: CAD/CAM & DI, Ceramics, Removables, Implants

Tracks: CAD/CAM & DI, Ceramics, Removables, Implants

| Room/Time | Downstairs Auditorium | Lab Room 2 | Classroom 1 | Classroom 2 | Classroom 3 | Classroom 4 | Classroom 5 | Room 1072 FIRST FLOOR | Milling Room F |
|----------------|--|--|---|--|--|--|---------------------------------------|---|----------------|
| 8:00-8:15 AM | Welcome Introduction | | | | | | | | |
| 8:15-9:15 AM | Innovations in Material Science —Dr. Russell Giordano | | | | | | | | |
| 9:45-10:45 AM | | Hands-On: Esthetics Stain & Glaze on Various Restorative Materials —Carlos Montaner | Interdisciplinary Planning for Dental Implants Using a Digital Workflow —Chris May | All-Ceramic Power to Increase Your Lab Profitability —Hans-Jürgen Joit | Streamlining Workflows Across Multiple Digital Platforms —Dr. Kunal Lal | An Innovative Way to Make Partial Dentures —Frank Acosta | | Hands-on: Digital Impression Scanning —Carrie Johnson & Carol Lamb | |
| 11:00-12:00 PM | | Hands-On: Esthetics Stain & Glaze on Various Restorative Materials —Carlos Montaner | Simplified Digital Workflow for Implant Cases —Tra' Chambers | Using Sirona Connect for Esthetic Ceramics Cases: A Doctor and Lab Team Approach —Bill Atkission & Dr. Bill Claytor | The Power of inLab SW 18 —Jay Black | Digital Dentures—Why it Makes Sense for a Full-service Lab —Chris Waldrop | | Hands-on: Digital Impression Scanning —Carrie Johnson & Carol Lamb | |
| 12:00-1:15 PM | Lunch | Lunch | Lunch | Lunch | Lunch | Lunch | Lunch | Lunch | Lunch |
| 1:15-2:15 PM | | Hands-On: Microlayering Technique for Simple and Complex Ceramics —Step Bay | Interdisciplinary Planning for Dental Implants Using a Digital Workflow —Chris May | All-Ceramic Power to Increase Your Lab Profitability —Hans-Jürgen Joit | Sirona Connect 4.5 —Tra' Chambers | Innovations in Traditional Dentures & Partial —Jerry Kaizer | Hands-On: inLab® SW 18 —Mike Smith | | |
| 2:30-3:30 PM | | Hands-On: Microlayering Technique for Simple and Complex Ceramics —Step Bay | Simplified Digital Workflow for Implant Cases with Atlantis —Tra' Chambers | Small Details, Big Results —Natalia Penate | Streamlining Workflows Across Multiple Digital Platforms —Dr. Kunal Lal | Innovations in Traditional Dentures & Partial —Jerry Kaizer | Hands-On: inLab® SW 18 —Mike Smith | | |
| 4:00-5:00 PM | Demystifying Color Matching Strategies for Dissimilar Restoration and Material Types —Dr. Stephen Chu | | | | | | | | |

Saturday, May 5
