241 Photobook Design

Photobook design: don't let those digital photos sit on your phone or computer... Create a beautiful book for you and your family to treasure--one you can page through and enjoy for years! I have made a personal hobby of designing Shutterfly photobooks for my family--from our vacations and family reunions, or for our DHHS Disc Devils (ultimate) team (<https://discdevils2017.shutterfly.com/>). I would be happy to work with you to design a book of memories for your occasion. You upload your favorite digital photos to a Shutterfly share site created for this purpose. I will consult with you regarding color scheme and theme for the photo book and put together a book for you to purchase on Shutterfly. Limit 200-250 photos. If you are interested in seeing sample photo books, please email me at denisetkoo@gmail.com or look at examples in person at the auction. Expires March 2019

503 Lake Sinclair House

Escape for a weekend of enjoyment and relaxation at beautiful Lake Sinclair, 1 ½ hours southwest of Atlanta. One of Georgia's best-kept natural secrets, Lake Sinclair has 15,330 acres of water and over 417 miles of shoreline. It is ideal for both boating and swimming and has long been known as a prime fishing area. You will enjoy the weekend at our 4 bedroom 2 ½ bath lake home. Swim, sunbath, watch the wildlife or fish from the dock, hang out on the hammock, and have a cookout on the patio. If your plans involve tubing, water skiing, or cruising around on the lake, Nathan will be glad to come down (on a mutually convenient day) and take you out on the boat (8-person maximum). There is also a nearby boat launch if you have your own boat. To schedule a mutually agreeable weekend, contact the Flacker's at nflacker@comcast.net or 404-228-8444. Expires February 1, 2019.
