SHOWING UP

BY: Pastor Chad

Friends, time has now passed since the Caregiver Gala and now after a funeral for a young boy in our community, I feel compelled to share with you one idea. God has provided us with gifts to be shared in this life and one of the greatest offerings we can give the world as people of faith is to share those gifts....whatever they may be. By sharing your gift you are “showing up.” What is it that you have to offer the world? How are you showing up every day? Here is a poem to grant us wisdom to chew on this month from Carrie Newcomer.

Showing Up

Carrie Newcomer

You are holy and sacred and utterly unique.

There are gifts you were born to give. Songs you were born to sing. Stories you were born to tell. And if you do not give it, the world will simply lose it.

It is yours alone to offer, no one can give it for you.

And dearest, listen, because this is important, this wounded world needs all the songs we can pull from the air, every story that helps us to remember. It needs ever single gift, large and small.

And yes, dearest, this grateful world does rejoice every courageous tie we are true to ourselves and to our gifts. And so it is, dear heart, we embrace the song and the story and all our gifts because the world has such great need and because the world exceedingly rejoices.

And because there is no sadder thing than to leave this world having never shown up.

CHURCH TIDBITS

St. Paul's Nursery

St. Paul's has child care for children ages infants to kindergarten during the worship service in the Nursery on the Lower Level. There is no adult supervision for children first grade and older. It is requested that these children remain with their parents/guardian in the sanctuary during the worship service.

Thanks, Church Council

Worship Committee

The Worship Committee has put together a few activity bags for young school age children who are attending church services. The bags will be located in the vestibule and labeled by grade levels. These bags will be available Sunday.

Recycle Pill Bottles! In developing countries, medications (when actually obtainable) are often dispensed into hands, pockets, leaves or any other available container. We can help improve healthcare quality in developing nations by donating clean pill bottles to help the poor: medicine can be distributed in sterile containers. Please bring your empty pill containers [prescription bottles, large & small, with and without child resistant caps, and over-the-counter pill bottles] for recycling to help others and keep thousands of bottles out of landfills each year! And, by placing a nickel, dime or quarter in each bottle helps with shipping costs. You can drop them in the collection box by the front door of the church. Thank you!

THANK YOU

Thank you to everyone that sent cards and made phone cards and also thanks to Pastor Chad for his visits while I was recuperating.

"Coach a Child, change a life": Become a Reading or Math Coach!

Are you looking for a way to use your talents and make a meaningful contribution to our community?

One to One: Practicing Reading with Students and One to One: Practicing Math invites the Northern Kentucky community to play an integral role in helping struggling young students with the support they need to be successful. Each volunteer coach commits to meet with a 1st-3rd grade student (as determined by school) 35 minutes once per week during the academic year. There are currently 42 participating schools in Northern Kentucky. Coaches provide children with the time, attention, and opportunities to practice skills that will make a difference in their lives. Each coach is a tutor, a mentor, a motivator. Visit our website at www.nkyec.org or email larmstrong@nkyec.org on how to become a ***One to One*** Coach.

To all members of the Lawn Chair Drill Team:

Thank you for your hard work and dedication to the group. We had a really great season this year, marching in back to back parades! But, as usual, we practiced and soldiered on, despite the intense heat! I don't know about you, but I had a wonderful time and we represented St. Paul's well with our usual enthusiasm. Special thanks to Roger and Kathy for supplying the Jeep and the new sound system!

Again, thanks for being a part of St. Paul's PR program! I love a parade!

Looking forward to next season,

Mindy
director and drill writer

Second Sunday Feast

On Sunday, October 9th we will continue our tradition of the Second Sunday Feast immediately following worship. This will be a potluck luncheon shared by all members of the congregation. If you would like to bring a side dish, main dish, or a dessert to share with others, come get to know newer members, enjoy laughs with friends, and share some of your best recipes with one another. Each month we will always meet down in the fellowship hall for a potluck feast on the Second Sunday. See you then!

Since its start in 2011, Matthew 25: Ministries' Rainbow Paint Reblending Program has rescued millions of pounds of latex paint from the landfill.

Dear Fedelia,

Thank you for your recent donation to Matthew 25: Ministries. Your gift of \$40.00 on 07/06/2016 will allow us to continue to help the poorest of the poor and disaster victims worldwide.

One of the many programs your donation helps fund is our Rainbow Paint Reblending Program. Through this program we are able to accept donations of leftover latex paint, which reduces the amount of paint going into the landfill. The reblended paint is then shipped to the poorest of the poor throughout the U.S. and all around the world. The families and organizations using our paint constantly report that it is the best quality paint they receive and they are thrilled to use it on their homes and buildings. None of this would be possible without the generous support we receive from people like you.

Already in 2016, we have shipped over 8,171,637 pounds of aid, helping more than 10,475,000 people. Thank you for your generous support!

God's Blessings,

Wendell
