ITLS

International Trauma Life Support

Presented in Partnership with:

Emergency Medicine Learning & Resource Center

This intensive 2-day course is designed to give the emergency nurse, paramedic or physician the knowledge and skills necessary to rapidly perform the initial evaluation and stabilization of the trauma patient according to nationally recognized standards. This is a demanding course that requires participants to be familiar with the material in the ITLS book prior to the class.

Preparation Packets, directions and a pre-test will be mailed to participants. The pre-test must be completed and turned in at the beginning of the course

June 20 & 21
Time: 8:30am – 4:30pm
\$165.00 Per Participant

Location: EMLRC
3717 S Conway Rd
Orlando, FL 32812

**PARTICIPANTS MUST PURCHASE AND BE FAMILIAR WITH
THE 8TH EDITION ITLS BOOK PRIOR TO THE CLASS**

***** Books can be purchased through the ITLS website (www.itrauma.org/shop) or a limited supply may be available in our office for \$66*****
