It's really too bad Vanderkamp staff don't like their jobs.... They LOVE them!!!

This could be you! What are you doing this summer?

While the majority of our summer programs are Christian, Vanderkamp is an EEO employer. We believe that embracing and celebrating our diversity... and our humanity... enhances the summer experience for us all. Welcome!

Come join our summer ministry team!

We are a small kamp with a big heart... and 850 acres of forests, fields, and meadows... plus a 45 acre private lake... so much to see, do, and explore! Vanderkamp is one of a handful of authentic and historic "Great Camps" in New York State and the only "Great Camp" converted into a summer kamp and retreat center. Couple that with our unique and intentionally designed programming and you'll know why our Vanderkampers and staff say, "There are no other kamps!"

What's your passion?

Developing a meaningful relationship with youth, caring for them and helping them to challenge themselves and watching them blossom before your eyes? Sharing your interests, talents, and experience with youth as you teach them to do all the activities you enjoy? Whipping up healthy and creative goodies in the kitchen and teaching youth how to make them too? Teaching youth how to swim and enjoy spending time on and in the water safely? Making sure youth are happy and healthy so they can enjoy everything that kamp has to offer?
