B&B Pharmaceuticals, Inc. is a VAWD accredited wholesale distribution facility and is in compliance with all federal and state licensing requirements. All products are repackaged in a class 1000 clean room. DEA and Board of Pharmacy License is required before shipping.

If you do not wish to receive faxes from B&B Pharmaceuticals, Inc. you may call 1-800-499-3100 and provide the fax number(s) to which you no longer wish to receive correspondence, or fax your request to 303-755-5242. Your request to Opt-Out of future fax communications must be directed to one of these numbers, and you must be prepared to provide your fax number during the call. After making your Opt-Out request, you cannot invite or grant permission for future fax communications to that fax number, or else you risk canceling your Opt-Out request. Our failure to comply with a proper request within 30 days of receipt is unlawful.
