

**STEM Learning doesn't have to stop
when the bell rings!**

Space Station Explorers for Out-of-School Time: Open House

**Join us for a taste of activities and networking opportunities at the
Space Station Explorers for Out-of-School Time Open House!**

The event will feature activities experienced by youth participating in the SSE4OST program, including:

- conduct simulated remote sensing operations aboard the ISS in the *Challenger Learning Center*
- discover the connected world of our *Habitat Earth* in the FSU Planetarium
- roam the International Space Station through the *ISS: Virtual Tour* interactive exhibit
- learn how to grow food hydroponically
- explore the McAuliffe Center's space science exhibits

**McAuliffe Center for Integrated Science Learning
Framingham State University
October 17, 2017
2:30pm to 5:00pm**

The event is free but Open House attendees need to register at <https://sse4ost.eventbrite.com>

Note: registration will provide you with a parking pass for the Framingham State campus.
