

DIRECTIONS TO THE STATEHOUSE

WHERE IS THE STATEHOUSE?

The Ohio Statehouse is located in the heart of downtown Columbus at the corners of High and Broad Streets.

PARKING AT THE STATEHOUSE

Please park in the Statehouse Underground Parking Garage. Simply pull a ticket and park in any non-reserved spot.

There are parking garage entrances on Broad, Third and State Streets (no High Street entrances).

FROM THE PARKING GARAGE TO THE STATEHOUSE

Once you have parked your car please head to the green level in the parking garage. You'll then enter the Statehouse through a set of sliding glass doors. To find these doors please head to the middle of the green level. There is one set of sliding glass doors on both sides of the parking garage. Please find the sliding glass doors that say "Ohio Statehouse" above. Once you enter, go to the top of the stairs, past the Ohio Highway Patrol Officer (you will go through security at this time). Please follow the directional signage posted behind the Ohio Highway Patrol Officer.

FROM THE 3RD STREET ENTRANCE TO THE STATEHOUSE

Once you have entered through the 3rd Street doors go left past the Ohio Highway Patrol desk (you will go through security at this time). There will be two sets of white marble staircases in front of you, walk in between them through a room with the map of Ohio on the ground. Please follow directional signage from there to the reception.

You may also ask any Ohio State Highway Patrol Trooper for directions.
