October 3-6, 2017

**NIEA** SUMMIT  
2017

Nature-Inspired Exploration for Aerospace

Ohio Aerospace Institute  
22800 Cedar Point Road  
Cleveland, OH 44145

The NIEA Summit features three days of technical talks, interactive panel discussions, poster presentations, receptions and special events. NIEA will highlight new approaches to the development of enabling technologies for aerospace applications and focus on nature-inspired approaches to materials and structures for extreme environments. Speakers include innovative thought leaders from academia, industry and government.
