About The Energy Network

- The Energy Network is a local government organization
- Created by the California Public Utilities Commission (CPUC)
- Provides resources and assistance to homeowners, businesses and public agencies planning energy efficiency upgrade
- Serving Southern California

Contractor Co-op

- Contractor Co-op is a program that supports Participating Contractor's work with Home Upgrade by reimbursing 50% of qualifying business costs up to \$10,000.
 - Participating Contractors with The Energy Network or SCE/SoCalGas's Home Upgrade program
 - Actively submitting projects

Benefits of Co-op

By having 50% of your costs reimbursed, you can:

- Stretch your budget for marketing and equipment
- Make certifications and trainings more affordable
- Cut costs on resources and supplies that enhance your services

Contractor Co-op Eligibility

- Several types of project types are eligible, including:
 - Marketing materials
 - Equipment
 - Trainings/Certifications
- All purchases must first go through our pre-approval process

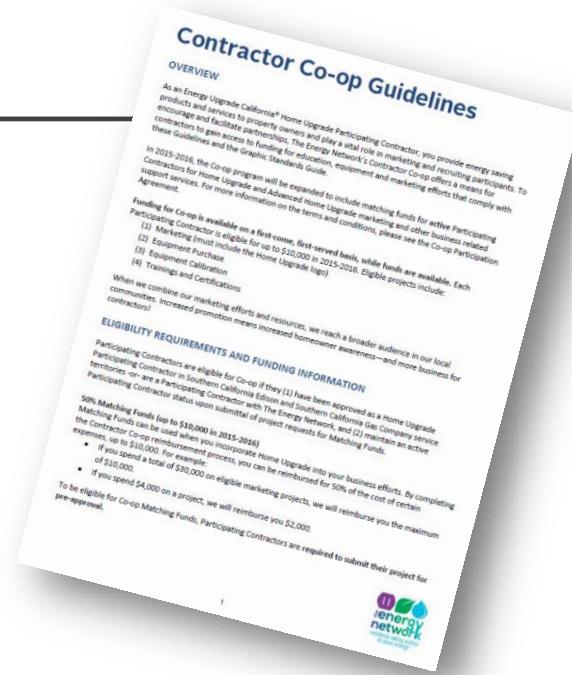

Marketing Purchases

- Apparel, auto wraps, print, radio, and online ads, billboards, banners and trade show booth materials, etc.

Marketing Purchases

- Must follow Brand Guidelines
 - Home Upgrade Logo
 - Home Upgrade Messaging
 - \$3,000 in rebates and incentives for Home Upgrade
 - \$6,500 in rebates and incentives for Home Upgrade
- Send in design for pre-approval

PARTICIPATING CONTRACTOR

Home Upgrade

Energy Upgrade California®

Getting Started

1. Review the Contractor Co-op Guidelines.
2. Sign the Participation Agreement and email it to us at coop@theenergynetwork.com.
3. Start using your funds!

Submitting Projects: Quick Steps

- 1. Pre-approval:** Submit a proof or quote for pre-approval.
- 2. Invoice:** After your project has been approved, submit the final invoice.
- 3. Reimbursement:** Check goes to you in 4-6 weeks!

Frequently Asked Questions

Do I need to spend down all my Co-op Matching Funds at once?

No. You can submit multiple different projects separately until you reach the maximum reimbursement of \$10,000.

For contractors enrolled in the 2015-2016 program cycle, we highly recommend utilizing the full \$10,000 before December 31, 2016.

Frequently Asked Questions

What is my remaining Matching Fund balance?

Feel free to contact us at coop@theenergynetwork.com to find out your balance.

Frequently Asked Questions

Where can I download the approved Home Upgrade Participating Contractor logos?

A variety of these are available on www.tenres.com/coop.

Please remember to review and follow our brand guidelines when using the HU logo.

Frequently Asked Questions

What will cause my design to get kicked back for revisions?

- Misuse of Home Upgrade logo
- Incorrect Home Upgrade messaging
 - \$3,000 in rebates and incentives for Home Upgrade
 - \$6,500 in rebates and incentives for Advanced Home Upgrade

Frequently Asked Questions

Can you recommend equipment vendors, training or certification providers?

Unfortunately, we cannot provide recommendations for vendors or providers.
