2018/5779 High Holy Days Babysitting

Childcare will be available for children ages **18 months through 3 years old** in the ECEC classrooms for parents attending High Holy Days services. On **Kol Nidre**, childcare will be available for children ages **18 months through 2nd grade**. Please complete the registration form below (or do so online at stsonline.org) to secure your spot, as we cannot guarantee space for your child(ren) without a reservation. **There is no cost for babysitting this year, but please help us plan by making a reservation!**

Please prepare your children so that they will know what to expect and will feel more comfortable when you leave. Children will be served a mid-morning snack, but please send a lunch (drink included) if your child will be staying after 11:30 am. All food must be dairy or parve. If your child is in diapers, please send diapers and wipes in a labeled bag.

Registration deadline: Friday, August 31, 2018. No registration will be accepted after the deadline.
