

## Volunteer Update

**Mike Kennedy**

Ask not what AZHFMA can do for you, ask what you can do for AZHFMA.

Our Chapter is only as strong as our members who volunteer. We all benefit from HFMA in different ways, so giving a little back is good karma. Whether it is volunteering your time to help out at a Chapter event or joining a committee, I ask each of you to offer a little of your time to help keep our Chapter strong. Volunteering can take many shapes: our Program Committee needs people to contribute ideas and content for our upcoming educational events, our Communications Committee needs your social media skills and the Membership Committee needs your help to reach out to new members and contact past members. There is also our Sponsorship Committee which is always looking for additional people to help make those all-important sponsorship calls. Please feel free to reach out to me if you want to volunteer, but just don't know where to start. I can be reached at [michael.kennedy@commercebank.com](mailto:michael.kennedy@commercebank.com).

Remember: AZHFMA is what you make it, so help us make it the best it can be!
