

**Utah Parent Center**  
Special needs, extraordinary potential

## Topgolf Annual Fundraiser

**September 12, 2018**

The Utah Parent Center serves families of the one in six children in Utah impacted by disabilities or special health care needs. While \$250.00 provides a day of private training with one of our Parent Consultants, \$1250.00 provides resources, training, and support for a week. We are unable to reach more families without your help.
