**Class Limit 10**

## QUILTING

**Instructor/ Artist: Sally Blankenship and Hala Hess White**

Whether you are a beginner or a seasoned quilter, you'll enjoy a relaxed weekend of stitching and fellowship. We have a new project each year that employs the latest rotary cutting, machine piecing techniques, and that can be created in a variety of sizes. Work on the class project or your own. This is artistic collaboration at its best as we encourage and nudge each other's creative spirits. Bring your sewing machine or let us know if you need to borrow one. Specific project details will be emailed to participants upon registration.

**Class Limit 10**

## SPINNING

**Instructor/Artist: Elke Shubert**

Spinning is relaxing and fun! We will discuss different types of fiber preparations and fiber selection, learn how to draft fibers, spin on a hand spindle and spinning wheel, ply and how to store yarn. Students can bring their own spinning wheel – wheel has to be in good working order. Students can also bring other spinning equipment (if they have it already at home) like hand carders, niddy noddy, yarn ball winder, and nostepinne. Teacher will supply fiber and hand spindle.
