Re: Tribal Youth Health Policy Fellowship

Dear Ms. Bohlen:

As a (insert Tribal Leader title) of the (insert Tribe), I write in support of (name of applicant) to be considered for the National Indian Health Board's (NIHB), Tribal Youth Health Policy Fellowship for 2018.

(Name of applicant) would help NIHB continue its long tradition of representing Tribal governments—both those that operate their own health care delivery systems through contracting and compacting, and those receiving health care directly from the Indian Health Service (IHS). (Name of applicant) would represent (Name of your Tribe) honorably as a Tribal Youth Health Policy Fellow for NIHB. (Add 2-3 sentences on personal qualities that would help the applicant in this Fellowship)

(Name of applicant) has proven to be a valuable contributor to improving our community's health. (Provide at least one example where you witnessed the applicant in a leadership role, excel in a group setting, or directly help improve the health of your community)

Thank you for your consideration in regards to (name of applicant) being considered for NIHB's Tribal Youth Health Policy Fellowship.

Sincerely,

(Name)
