

# Resident's Choice

## Employee of the Month

## Caity Tremblay

Born and raised in Spokane Washington, Caity has lived in Salem, and been at The Park for almost 2 years. She is pictured above with her Grandfather Chuck, who was her best friend and who Caity gives credit for making her the loving person she is today. It was caring for her Grandpa that led Caity into becoming a CNA 3 years ago.

She is the Mom of two beautiful children, Guillermo and Tahlia, who take up most of her time when she isn't working, as does her return to school in order to get her Nursing Degree!

Caity, is a staunch advocate for our dear seniors, and it is obvious how much she loves them.

We love her right back and we can't WAIT for this incredible CNA to become an incredible nurse!

# Thank you for ALWAYS going the

## EXTRA mile!
