

# Resident's Choice

Employee of the Month

## Rena Sloan

Rena (known by some residents as “Bean”) was born in Missouri and has lived in Salem for 11 years. Before working at Sherwood Park she’s done a little of everything. She has run a preschool, been an admin assistant and worked in activities as a consultant. Here at Sherwood Park Rena brings joy to residents with her crafting, Armchair travel groups, birding, and so much more! When she’s not here, Rena can be found playing the Ukelele, searching the coast with her sister for Agate and Driftwood, or at home working on her yard. She loves working with seniors and has always been taught to be of service, no matter where she is. We are so lucky to have Rena as part of the Sherwood Park Family!

**Thank you for ALWAYS going the  
EXTRA mile!**
