

# Resident's Choice

Employee of the Month

**James Morin**

James has been a part of our Park family for 2 ½ years. He is Salem born and raised and after graduating from North Salem High School, spent many years backpacking and mountaineering. He has summited Mt. Hood, all 3 Sisters, Mt Washington, Broken Top, Mt Bailey, and many more, as well as spending some time sport fishing in Alaska.

James began working in the medical field at the Oregon State Hospital, where he worked for 28 ½ years.

He loves to go fishing and bike riding, (riding 10-12 miles at least 3 times weekly), as well as always perfecting his interest in photography. He & his siblings often rent an RV to travel to National Parks and other nature areas for the chance to take beautiful photographs.

**Thank you for ALWAYS going the  
EXTRA mile!**
