

# Resident's Choice

## Employee of the Month

## Samantha Hughes

Born in Silverton, Oregon, what a blessing it was for The Park when Sam came on board as an Activity Assistant! She has recently completed the NA Program & our folks are THRILLED to have her as a future CNA!

Sam knew in high school that she wanted to be in health care with a desire to learn and to help others, and is now in her first year of college, on her way to becoming a nurse.

She is the youngest of 3 children, (her lovely mom volunteers for us often too), and we LOVE the fact this tender, gentle young lady, was on the ALLSTAR RUGBY TEAM for 3 years during high school!

Samantha, and her sweetheart, Robert, are parents of 2 rescued kitties, and with her wonderful skills and compassionate heart, we know her future is SO BRIGHT!!

# Thank you for ALWAYS going the

## EXTRA mile!
