

Resident's Choice

Employee of the Month

Donna McCario

(Editor's Note: I surely couldn't write about myself, so many thanks to the wonderful Kandi Hanson for penning this for me ♥!)

Donna is a southern girl, (which doesn't surprise any of us with her "darlin's," "sweet peas" and obvious drawl), and was born in Tennessee. This will be her THIRD time to be chosen by the residents, and she could not be more honored.

She was raised in Florida and fondly remembers the "old Florida" that postcards are made of. An Oregonian for 38 years, Donna says she now considers Oregon her home, as she, "loves it here and can't imagine ever leaving". Dylan is her one-and-only child, and if you ask her about him you will hear he is "AMAZING." She proudly claims, that "he is the very best part of what is a wonderful life." Donna began her career as an Activity Director 12 years ago, and states she can, "never imagine doing anything else."

"My job description is Life Enrichment", she says, "but in enriching their lives, they have made EVERYTHING in mine, fuller, brighter, more fun, and BEAUTIFUL"!

Thank you for ALWAYS going the
 **EXTRA mile!**
