

# Resident's Choice

## Employee of the Month

### Randy Conover

Randy has been at The Park almost three years. He was born in Longview Washington and has five sisters and one brother. He was foreman of Tri-Mountain Golf Course in Ridgefield, Washington, a job he really enjoyed as it allowed him to be outdoors much of the time. Randy loves nature, travel, and the beach, and he IS a thrill seeker, being probably the ONLY nursing home resident in history to ride the "Slingshot" at the Oregon State Fair 2 years ago! Randy is a **vital** part of the community here at The Park and takes his position as President of Resident Council, and the responsibility it upholds, very seriously. His concern and love for all of the residents is wonderfully evident as he and Darbie Lynn make their way around the facility to say their hellos and to assist however they can.

Randy, you and Darbie are a blessing to all who know you and we are ALL so very thankful that you call The Park your home!

**Thank you for ALWAYS going the  
EXTRA mile!**
