

Resident's Choice

Employee of the Month

Gina Arellano

Born in Veracruz, Mexico, Gina has lived in Oregon 38 years and been at The Park for 4 years.

She is the Mom of 4 boys, ages 22, 18, 17 and 15. Her sons work for her family's roofing business with their father, and when they aren't working the whole family likes spending time together. When Gina gets a moment to herself, she enjoys spending time in her garden.

Gina can often be seen here joking with the residents and doing whatever she can to bring a smile to their face. It's obvious how much the residents love Gina and look forward to seeing her.

**Thank you for ALWAYS going the
EXTRA mile!**
