HELP DETECTIVE FRIDAY SOLVE THIS MYSTERY:

Cartoonist Charles Addams, who was on his way to the local author's conference, was found dead on the Courthouse Square prior to the start of First Friday. Could the killer be a member of the Addams Family? Did his wife, Grandma Addams, do him in with a potion? Did Wednesday's new mother-in-law, poet Alice Beineke, want to take over the cartoon business? Did Morticia tire of Charles' disapproval of her marriage to Gomez and finally decide to stab him with her garden shears? And what about Lurch? Collect all the clues and help solve this murder mystery!
