

Forestry and Wildlife Habitat Field Day

Thursday, June 22, 2017

9:00 AM to 3:00 PM

West Lafayette, Indiana

A field day for the landowners and the general public will be held Thursday, June 22 at Martell Forest and the Purdue University Wildlife Area. The program will begin at John S. Wright Center at Martell Forest located just off State Highway 26, 8.5 miles west from the Purdue University, West Lafayette campus. Martell Forest contains a total of 424 acres with 370 acres of forest. The Purdue Wildlife Area contains a total of 159 acres with about 8 acres of forest. The site contains the only large wetland in the Indian Pine Natural Resource Field Station. Both properties are operated as research and teaching properties by Purdue University, Department of Forestry and Natural Resources.

Field tours will highlight several different on-going activities at the Martell Forest and PWA.
