

**Program  
Changing!**

As of August 1, 2018, the **Publix Partners** swipe card will *no longer work to make donations to your favorite school. Please follow the instructions below to continue supporting KDS every time you shop at Publix.*

Customers must sign up for a Publix.com account, then log in and select 'Kate Duncan Smith DAR School' under the My Publix Partner section.

Then, every time you shop at Publix, provide the cashier with the phone number associated with your account to ensure your purchases benefit KDS and its students . It's that easy!
