

KDS Elementary Celebrates Read Across America Day

KDS students had a blast celebrating Dr. Seuss' birthday by showing off their reading skills and sharing their great success with their families at the KDS Elementary Family Reading Night. The annual event was held on March 1st as one of the many activities to celebrate Read Across America Day. Families came out to visit their child's classrooms to see their student's reading progress, participate in fun Dr. Seuss-themed activities, eat pizza, and shop at the book fair.

Read Across America Day is a nationwide reading celebration that takes place annually during the week of March 2nd — the birthday of the beloved Dr. Seuss. Across the country, thousands of schools, libraries, and community centers participate by bringing together kids, teens, parents, grandparents, and books; and KDS was no exception!

Students enjoyed sharing the special night with their families.

The kindergarten classes enjoyed trying “Green Eggs and Ham”.

Teachers joined in the fun by wearing fun shirts with rhymes from Dr. Seuss books.

A special ‘thank you’ is extended to Suzanne Landry of Pensacola, Florida, for raising funds for “Book Fair Bucks” for KDS students. The bucks certificates were awarded to children to recognize classroom achievement. Thanks to Suzanne and Florida DAR members, more than 200 children in Elementary and Middle School were able to have a book at no cost to them. Suzanne also spent four days working at the Elementary and Middle School’s book fairs.
